

engage in their future **Image Consent Form (website)**

engage in their future is the national association for school leaders within SEMH (social, emotional and mental health) schools and educational settings. Its principle aims are to provide networked peer support and the sharing of good practice in order to improve the standards of our schools and the education and welfare of the children with whom we work.

We are often sent good news stories, event reviews and other articles of interest from our national network of members to share on our website. These are sometimes accompanied by photographs that include individuals. In order to use these images, it is essential that we have permission to do so.

We would therefore be grateful if you could complete and return the slip below at your earliest convenience. This will confirm your approval and consent for *engage in their future* to use on our website in support of the article with which it was submitted the image/s in which you (or the child on whose behalf you are signing) appear.

If the image features several individuals, it will only be used by *engage in their future* if we have permission from everyone included.

The image/s will only be used on the *engage in their future* website to accompany the article it is submitted with. On occasion, we might identify marketing or other promotional opportunities for which the article and/or the accompanying image/s may be suitable. If such an occasion occurs, we will contact you with details and request your specific consent. If consent is not received the article and/or images will not be used.

engage in their future may use the article in its marketing or promotional efforts (for example, as an article in a newsletter or the focus of a social media post). These may include a headline and synopsis of the article, and a link to access it on the website, but will not include any photos.

You have the right to request that *engage in their future* remove the image from its website at any time. Please email contactus@engageintheirfuture.org in such instances.

I give my permission for *engage in their future* to use on its website alongside the article with which it was submitted, the photograph/s in which I, or the child on whose behalf I am signing, appear.

Name of School:

Your Name:

Email Address:

Are you signing on behalf a child / young person? YES NO

If yes, what is the name of the child / young person?

If yes, what is your relationship to the child / young person?
